

Washtenaw Community College

Dental Assisting (CFDAC)-Pathway II (ADAEP)

WCC is no longer collecting applications to the Dental Assisting-Pathway II (ADAEP) program for the Winter 2025 semester. **The application for the Fall 2025 semester is expected to become available in early February 2025.**

Students are admitted to the program on a **first-qualified basis** until all seats are filled or until the application deadline (whichever comes first). The final application deadline is anticipated to be in **early August 2025**. Information regarding WCC's [Limited Enrollment Admission Process](#) can be found on our website.

To be eligible to apply for the next admission cycle, all admission requirements must be successfully completed by the application deadline. Please revisit this link/website in early February 2025 to download the application packet. Current [admission and program requirements](#) can be found on WCC's website.

If you have not yet applied to WCC, please submit an [admission application](#) to the school. You must be admitted to the school before you will be eligible to apply to our program.

Program requirements are specific and we recommend meeting with an advisor regularly to help lay out a plan on class selection and timing. Advising appointments can be scheduled by calling (734) 677-5102 or by visiting our [Academic Advising](#) website to schedule online or to connect virtually.

Please direct questions about submitting an application to our Health and 2nd Tier Admissions Office at (734) 973-3596, (734) 477-8998, or healthadmissions@wccnet.edu.
